'Fondest Memories' Bridey

Acting Upland Judge Favors Present Court

(Editor's Note: Acting Judge of the Upland Justice Court, Oren B. Matthews, has been asked if he would accept the local Judgeship if appointed. Following is his statement on this and other pertinent matters of the Upland Judicial District.)

Knowing that my time is limited as the Presiding Judge of the Upland Judicial District, I feel that I can no longer refrain from expressing my sincere gratitude for being allowed to, in my small way, act as your judge before and since the passing of our beloved Judge Fred H. Jacobs.

This appointment I accepted with a feeling of deep humility and I have tried to fulfill it to the best of my ability. I trust when the time does come for me to return to my people in Big Bear Lake, on the permanent basis, that I will have left far more friends in this splendid community than I have enemies.

Any judge by reason of necessity must be a part of unpleasant duties.

In spite of these duties I shall here and now state that my six months stay thus far with your, sharing the generous hospitality of your service clubs, your fraternal organizations, accepting the untold courtesies of all of your government agencies, especially your excellent Police Department, California Highway Patro, Sheriff, and yes, shedding a tear with you, shall leave me with the fondest memories and the best of wishes for the continued success in the growth of one of the finest cities in which I have been privileged to serve.

If I may indulge your patience further, I feel that as a small token of appreciation for your acceptance of me, I am duty bound to answer publically one question which has been asked by deeply interested citizens.

The question is, "If you were offered the permanent appointment as our judge by the board of supervisors, would you accept it and become our judge for the remaining term of the present office?"

My answer now and has been "Should I have such an honor bestowed upon me I would feel most honored and flattered but with a great deal of reluctance and gratitude have to say no."

While the duties of your judge and the hours he must spend are greater and the remuneration is in proprtion to that of my own court, the loyalty I owe to my people and the love Mrs. Matthews and I have for our own community will continue to compensate us in further blessings and continued good health.

Since I have been honest in expressing my desires by my future career and have no personal reasons for acquiring gain in the future development of the Upland Judicial District, I feel that I do owe it to each and every person within the jurisdiction of your court to give you for careful study and consideration the following facts and information to which you are entitled.

1. For quite some time throughout the entire State of California there has been a strong and forceful move on to abolish the Justice Courts now referred to as Judicial Districts. This has met with some success especially in the more densely populated areas. In these instances the desolution may have been justifiable as well as practical.

2. These consolidations have then caused the creation of Municipal Courts such as is now established in your neighboring City of Ontario. This I think is a good thing for the city and the immediate vicinity as the jurisdiction of the court now prevails.

3. After careful consideration and study it is my confirmed belief that the need for a Municipal Court in this district does not exist at this time.

4. When this need has developed through increased population which, I would hazard to predict within the next two or more years, then, and only then, should you have your own Municipal Court. This court, within a reasonable length of time, should be near self supporting and it should not be necessary to ask your neighbors to abolish their Justice Courts and help you support your own.

5. It is an undisputed fact that the cost of government is an expensive one and so in conclusion may I suggest that you people through your fine churches, service clubs, women's clubs, Chamber of Commerce and/or businessmen's association, and like organizations insist that your tax dollars be spent for the next few years in establishing the much needed Superior Court in Ontario.

Nov. 20 Election

Water Bond Issue Third In 39 Years

Water bond issue to be submitted to the voters on Nov. 20 will be the third water bond proposal in 39 years. Both of the previous two were approved, so stated City Manager Elwin Alder.

On Sept. 20, 1923 a $225,000 issue carried by a vote of 398 to 7 in favor of the proposal. The money purchased certain facilities and constructed others to provide the City of Upland with its first City owned water system, he continued.

A vote of 1347 to 561 approved a $350,000 issue on April 12, 1960. This project provided for the improvement and expansion of the water system. One well and pumping plant was modernized and its capacity increased.

About 17,000 lineal feet of transmission lines were laid and two boosting stations constructed. Certain substantial water rights were acquired, Alder related.

The City today is being served through three separate pressure zones. The boundaries of the zones in general are as follows:

Lower Zone: South City Limits North to Foothill Blvd.

Middle Zone: Foothill Blvd. North to 21st Street.

Upper Zone: 21st Street North to North City Limit.

With this arrangement water pressures in some areas fall below and also rise above desirable pressures for domestic use. Best engineering practices prescribe a minimum static pressure of 40 pounds per square inch and a maximum static pressure of 100 pounds per square inch.

Extremes in the system today range between 30 p s i and 200 p s i. Both extremes cause inconvenience to the users and are of real concern to the City. A major revamping of the system is necessary to correct this condition. A substantial portion of the $2 million bond program will go toward correcting this matter.

Many users will realize a marked improvement in their service. Those in the low pressure areas will enjoy an increase in pressure. Those in the high pressure areas will appreciate the reduction to a more usable pressure, Alder said.

To accomplish this end a fourth pressure zone will be created. This new zone would be served by a new reservoir to be located on 20th Street. Water will be boosted from 15th Street storage to supply the proposed storage facility on 20th Street.

A large transmission line will be installed between the two locations to make the transfer of water possible.

Mr. Alder concluded by stating that there would not be any increase in taxes to provide for bond payments. The same policy as has been followed on the other two bodn issues will be observed in this instance. Water Department revenue will take care of bond commitments.

"The Key to Upland's Future is Priceless Water," Alder exclaimed.

THREE STUDENTS at Upland High School receive word from Principal Thomas M. Glasheen that they are semifinalists in the 62-63 Merit Scholarship Competition. Standing, rom left, John Whittaker, Margaret Arner and Hugo Rossiter have been cited for high achievement for their performance in the National Qualifying Test. Following another examination in December, the three may be eligible for a number of scholarship grants.

Oasis Youth Center Plans Fashion Show

Oasis Fall Fashions are coming Saturday, Sept. 29. This is the first annual style show of the Oasis, and it will be held in the Youth Center Building, 101 East Transit St. Ontario, starting at 1 p.m.

The fashions will be shown amid a picturesque desert Oasis setting, enhanced with a colorful natural appearing waterfall, created by Mike Shaw and Gary Manning.

Prior to viewing the latest Fall Fashions that have been loaned by Butler Bros., The Bootery, Scott's Department Store, Winnie's Famfashions and Maggi's in Upland, refreshments will be served to those participating.

Mrs. Robert Gemmel is Adult Chairman of the Refreshment Committee while Peggy Kelly is teenage chairman, and the following Oasis members will assist during the serving: Sharon Erwin, Chris Anderson, Pam Bonecki, Cindy Anderson, Casey Carmody, Nancy Nay, Pat Parrella, Lynn McCann, Donna Walker, Judy Chamblin and Diane Smith.

Door-prizes have been donated by many merchants throughout the area and Mrs. Howard Scarborough from Upland is in charge of procuring these gifts. Loren Miller of UHS, President of the Oasis Youth Center organization, will be on hand to welcome guests.

Mrs. Lrraine Raver is Fashion Coordinator of the show and is donating her services in assisting the Oasis members in learning to model. Commentator for the "Oasis Fall Fashions" will be Mrs. J. I. Morris.

Tickets for this affair may be obtained for a $1.00 donation by contacting Mrs. Bernard Holland, Adult Ticket Chairman at YUkon 652-37 or Paula Sturck, Oasis member at YUkon 4-7585.

A special prize is being offered to the Oasis member selling the most tickets for the occasion. Money derived will be used to purchase further

Grader Damaged

About $100 damage was done to a grader owned by Callaway Construction of Upland over the weekend. The big machine was parked on Mesa Ct., west of San Antonio.

Some person or persons had placed spikes in front of the tires, ripped the positive cable off the battery, broke the battery caps, tore off the heat indicator wire and put dirt in the fuel tank.

Study Group To Present United Front

At a meeting Thursday, Sept. 20, the West End School District Study group decided to present a united front and seek unionization rather than unification.

Official definitions say the Unionization means one school board for high schools and a separate board for elementary schools. Unification is one board for high schools and elementary schools.

The study group would like to see: Chaffey Union High School District remain as is and to form three elementary districts out of the present nine as follows: Alta Loma, Central, Cucamonga and Etiwanda as one district; Upland and Mt. Baldy as another; and Ontario, Mt. View, and Guasti as the third.

The County Committee for School District Organization will meet Thursday, Sept. 27 at 8 p.m. in Merton Hill auditorium and will possibly adopt the study group's recommendation.

Under a mandate from the state, each county must come up with a master plan for district reorganization by September, 1963.

If the local study group's

Students Qualify In Semifinals For Scholarships

Three Upland High School students are Semifinalists in the 1962-63 Merit Scholarship competition. Principal Thomas M. Glasheen announced today that Margaret Arner, Hugo S. Rossiter, and John Whittaker, through their outstanding performance on the National Merit Scholarship Qualifying Test, have been cited for high achievement.

Margaret is the daughter of Mr. and Mrs. Rodney D. Arner, 8207 Tapia Via, Cucamonga; Hugo is the son of Mr. and Mrs. R. L. Rossiter, 1560 W. Arrow Highway, Upland; and John is the son of Mr. and Mrs. Richard E. Whittaker, 925 W. 23rd St., Upland.

The qualifying examination, a test of educational development, was given in more than 16,000 high schools last March. The Semifinalist group is composed of the highest scoring students in each state and the territories.

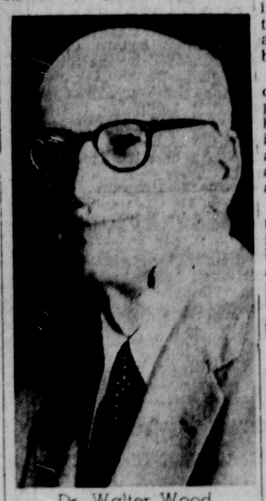

John M. Stalnaker, president of the nonprofit National Merit Scholarship Corporation, said in a letter to Mr. Glasheen: "The development of the intellectually talented depends on the level of support a community gives its schools and the extent to which adults in general respect intellectual attainment. It is for such reasons that the Semifinalists bring honor not only to themselves, but also to their parents, their schools, and their communities."

The Semi-finalists will take another rigorous examination on Dec. 1. The results of this test, with high school grades, creative accomplishment, leadership qualities, extracurricular activities, and school citizenship will be evaluated to determine the Merit Scholars. Winners will be announced about April 24. Finalists and Schoiars are eligible for a number of scholarship grants, given by the NMSC, corporations, foundations, unions, professional associations, and individuals.

Medical Missionary Dies

Dr. Walter W. Wood, the first medical missionary sent to South America by the Presbyterian Church, died at his home, 634 N. First Ave., Upland, Sept. 19. He was 78.

Dr. Wood practiced in Brazil for 38 years where he

Dr. Walter Wood

founded the Grace Memorial Hospital in that country's interior.

Dr. Wood was on the staff of San Antonio Community Hospital, a member of the American Medical Association, American Geriatrics Society, American Academy of General Practice and the Upland First Presbyterian Church.

A graduate of Huron College, S.D. and the Leland Stanford Medical College, he worked as a missionary to the South Dakota Indians prior to entering the medical field.

Dr. Wood was the third man, not a citizen of Brazil, to be named "Man of the Month" by the Standard Oil Co. of Brazil in 1954, three months before his retirement as Medical Missionary.

In 1958, he was honored with the honorary degree of Dr. of Humanities by Huron College. During recent years he had been associated with work of Alcoholics Anonymous.

Born Sept. 7, 1884 in Kellogg Township, Dakota Territory, he came to Upland in 1954 from Minnesota.

He is survived by his wife, Ella of Upland; three daughters, the Misses Mary, Dorothy and Florence Wood, all of Upland; three sons, Walter, Jr., Paul and David, all of Upland; and two sisters, Miss

'Shadow Of Boomerang' To Be Presented By YFC

Evangelist Billy Graham's newest feature-length dramatic film, "Shadow of the Boomerang", will be shown Saturday night Sept. 29 at the Youth For Christ rally to be held in Faith Missionary Auditorium, Center and Main Streets, in downtown Pomona.

YFC Executive Director, Ray Schutte, announces that there are 1300 free seats and the public is invited to attend the film showing. The program begins at 7:30, however, the doors will be open at 6:30 p.m.

Starring vivacious Georgia Lee and television's Buffalo Bill, Jr., Dick Jones, "Shadow of the Boomerang" is an outdoor action picture with all of the excitement and breathtaking scope of the land, "Down Under". Setting for the screen drama is Australia's "Outback", the continent's vast interior region where some of the world's largest cattle stations are located.

The two young Americans head an All-Australian supporting cast, playing brother and sister roles in a turbulent story of homestead life. Their arrival in Australia to manage newly acquired family holdings, plunges the couple into strange surroundings and situations with which they find it difficult to cope.

The brother is immature and impetuous, slow to accept Australian ways. His sister is much more democratic, readily accepted by her new friends with whom she joins in an attempt to instill understanding and tolerance in her brother.

Filmed against the backdrop of the Billy Graham Australian Crusades, "Shadow of the Boomerang" seeks to under-

Football-Rama Set For Sunday

A Football-Rama of the Ontario Youth Football Association is scheduled for 2 p.m. Sunday, Sept. 30 at the Chaffey High School field. The All-League event will be the kickoff for the new season.

Participating will be members of the Upland League which was added this year as the fourth league along with Montclair, Ontario East and Ontario West.

Each team is expected to play one quarter of football in this kickoff event. Upland rooters should sit in the north section.

$236,000 In Improvements Slated For Chaffey College

In a report issued to the Chaffey College Board of Trustees, President Daniel Milliken set forth the improvement of $236,100 budgeted for the campus this year.

Milliken said that the proposed developments on the surface looked like nearly everything that was asked for in the $750,000 bond issue defeated last year. The list of improvements, however, excludes $300,000 for the south bleachers of the football stadium and $200,000 for air conditioning.

The list of proposed improvements includes:

$66,000 for air conditioning in the Little Theater including the speech and music wings and the business education building.

$22,400 for engineering, curbing and blacktopping parking lots north of the library and creative arts buildings, south of the life science and social science buildings and between the electronics and aeronautics buildings.

$35,000 for installation of watering systems and landscaping on all sides of the library, between the business ed and administration buildings, in front of the administration building and south of the language arts and social science buildings.

$18,000 for construction of a storage and maintenance building in the maintenance yard.

$2,700 for additional lockers in the women's gym.

$9,000 for additional bleachers on the east side on the gym.

$80,000 for construction of bleachers on the north side of the football stadium.

$3,000 for completion of curbs and trees on Amber Lane.

The student body budget contains finances for a football scoreboard and a lighted sign in front of the administration building. Milliken said the student body may need financial help for these projects.

Humane Officer Goes To Azusa

Upland Humane Officer Jerry Holloway leaves the city on Monday, Oct. 1 to take over the duties as Humane Officer in Azusa.

During the interim period of selecting a replacement, Sid Powell of the Ontario Humane Society will be Upland Animal Control Officer.

C of C Hears Tax Change Suggestions

An economics professor of Pomona College told members and guests at the Annual Chamber of Commerce Banquet Sept. 19 that methods of taxation must change if local communities did not want to be taken over by higher units of government.

Although Dr. Cook offered several suggestions, he admitted there was no clear or immediate solution to tax problems.

He spoke to some 200 persons gathered at Red Hill Country Club for the Chamber's annual installation night when Ted Grimm officially took over the organizations reins from retiring president Russ Hazen.

In his acceptance talk, Grimm urged an increase in membership to the Chamber and said that full cooperation was necessary for the Chamber to do the best possible job of promoting Upland.

Cook told the audience that "a balanced community is a deception." He said a community is only part of a complex known as "urban sprawl" and that a string of independent communities such as we have in Southern California is not desirable.

"There is a maldistribution of tax money," Cook said, "a problem that can be solved by higher echelons of government."

He suggested that taxation of business property be reduced or eliminated at the local level and left to higher units of government and that sales taxes should be centralized for distribution to cities.

As chairman of the Claremont Planning Commission, Cook said that he does not advocate immediate change.

"I'm suggesting one thing, and doing another," he said.

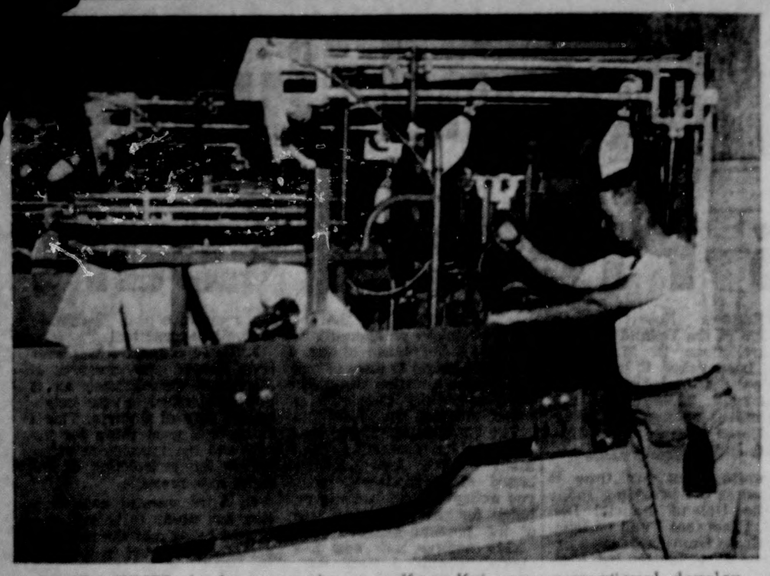

Legislation begins here, on the local level, Cook concluded.

PRACTICING modeling technique for the Oasis Fall Fashions are, left to right: Shirley Stewart, Armand Renna, Cathy Miller and Mrs. Irene Lane. This first annual style show sponsored by the Oasis Youth Center will be staged at 1 p.m. Saturday, Sept. 29 at the Youth Center Building.

NEW PRESIDENT of the Upland Chamber of Commerce, Ted Grimm, second from right, thanks Dr. Lorne D. Cook of Pomona College, who spoke to those attending the Annual Chamber Installation Banquet at Red Hill Country Club Sept. 19. Looking on are Mrs. Grimm and Immediate Past-President Russ Hazen.

LAST MINUTE checks are made on the automatic pin setting machines at Red Hill Bowl by Supervisor of Maintenance Ted Cumberledge. Bowlers are expected to "get the feel" of the new alleys this week and be on a regular full schedule of bowling by Monday, Oct. 1. Red Hill Bowl and Kapu-Kai, new recreational development at 8874 Foothill Blvd., Cucamonga, is operated by Sanberec, Inc. The development will contain a 32-lane ultra-modern bowling alley plus a dining-dancing-lounge as a separate facility.

Cucamonga WSCS Holds First Meet

Gerontology was the subject presented to the general meeting of the Woman's Society of Christian Service of the Cucamonga Methodist Church at their first meeting of the fall season.

Mrs. Myrtle Allan of Cucamonga, a member of the Society, led the program. She is interested in the Senior Citizens in the community for their activities and what can be done to improve the status of this growing percentage of the population.

Mrs. Maude Bonillas of Cucamonga spoke of local groups of Senior Citizens being able to use the Cucamonga-Alta Loma Woman's Club Meeting Place as a place to hold activities.

Mrs. Isabel Beattie, Spiritual Life Secretary led the devotional time in keeping with the theme "Home Missions".

Plans for the Annual Fruit Cake Baking were discussed at the business meeting, presided over by President Mrs. Lloyd Michael. The Week of Oct. 8 was designated as a time when all member will be asked to donate time to this annual project. The fruit cakes will be sold prior to and at the Annual WSCS Dinner on Dec. 6.

Mrs. Don Schmidt will be in charge of the Smorgasbord type dinner. A Bazaar will be held at the same time in the Klusman Fellowship Hall. This is the annual budget fund raising event of the Cucamonga Society and proceeds will help pay for the kitchen equipment.

Future dates to be remembered are the Spiritual Life Retreat at Wrightwood, Sept. 24 and 5 and the Riverside District Seminar to be held at San Bernardino, Oct. 12.

Project work at this time for the David & Margaret Home in La Verne is making Laundry Bags, Mrs. Don Schmidt reported. Twenty more bags are needed to complete the quota promised.

A Committee was appointed to study the Pledge Program for the Society The Treasurer, Mrs. Jack Stevens will be chairman, assisted by Mrs. Beattie and Mrs. Guegerson.

Hostesses for the luncheon that followed were: Mrs. Isabel Beattie, Mrs. Frank Freeman, Mrs. Bertha Huntington and Mrs. Callie Ford.

The tables were decorated with brightly colored zinnias and green ferns. Rev. Claude Love, Pastor was special guest.

The following attended: Mrs. Rex Fritchey, Leland Pearson, Lewis Gilbert, Don Downs, Don Schmidt, Peter Nichols, Claude Love, Lloyd Michael, Conrad Koslowski, Jack Stevens, Jack Whitney, John Hargrave, Ernest Hughes, Cliff Claunch, Arthur Allen, Paul Davis, Art Relph, S. R. Feugerson, Robert Schmidt, Frank Freeman, Maud Bonillas, Myrtle Allan, Nolia Kimbrel, Bertha Huntington, Callie Ford, Isabel Beattie and Evelyn Stone.

Charity League Chapter Outlines Plans For Year

Greetings were extended to all members of the National Charity League, Foothill Chapter, by Mrs. Arnold W. Abbott, president, at the meeting held in the Stuft Shirt on Thursday, Sept. 20.

Mrs. Jay Dewey Harnish, Honorary Patroness, was introduced as were Mmes. Paul Adams and Leo J. Lucas, Sponsors.

Homage was paid to the first president, Mrs. H. Douglas Sage, who was unable to be present. She is currently chairmen of the Memorial Fund which grants loans to student nurses. Mrs. Sage will be the recipient of a gold charm engraved with the president's gavel, with the inscription "Kay Sage, First President, 1955-57, National Charity League, Inc., Foothill Chapter."

Mrs. Harnish gave a brief history of the origin of the League for the benefit of new members. She stated it took lots of care and effort on the part of the founders to get started properly. Every community has new organizations starting every year but the number that survive are few. They must have careful origin and purpose. The purpose of the National Charity League was to bring mothers and daughters together.

She also stated Mrs. Sage did a careful and intelligent job in functioning as first president, and she and the founders were careful of rules and regulations to maintain the standards for which the organization was founded.

The president complimented Mrs. John E. Skewis and her committee for the attractive year book.

Mrs. Lynn Kloepfer, second vice-president and coordinator, was enthusiastic in the plans outlined for the year and thanked the following coordinators for their cooperation: Mrs. Jarvis Leman - 5th and 6th grade coordinator; Mrs. Earl Wilkinson - 7th and 8th grade coordinator; Mrs. Jack Brewer - 9th grade coordinator; Mrs. Robert Williamson - 10th grade coordinator; Mrs. John . Skewis - 11th and 12th grade coordinator.

Mrs. John R. Campbell, Ways and Means Chairman, announced the second Gala Benefit Cocktail Vernissage to be held on Oct. 9 from 6 to 9 p.m. at the Stuft Shirt Restaurant. Claremont Artist, Millard Sheets, will present his paintings at a one man showing. Invitations will be mailed this week.

Mrs. Rex Booth announced the dance classes at Webb School will be resumed in the near future.

Due to the absence of Mrs. Robert K. Kelley, Program Chairman, Mrs. Skewis introduced the paper sculpture, Mrs. Ruth Crowley. She works with the Rose Gish Studio in Grand Terrace, Colton.

Mrs. Crowley demonstrated new modeling in paper. The work was introduced after World War I in New York by Czechoslovakian artists but is comparitively new on the west coast.

Mrs. Floyd Plasman, Philanthropy chairman, gave a resume of the various philanthropic projects for the year and stressed the need for cooperation because of the large number of institutions to be serviced.

The president expressed appreciation to Hospitality chairman, Mrs. Thomas A. Gibson and her committee, and thanked Mrs. A. K. Penque for the beautiful table decorations of autumn flowers.

Mt. Baldy News

VILLAGE CHURCH

The Rev. Joseph Forcineeli delivered a sermon entitled "The Wall" from the text in Ephesians 2:14 to the worshippers at the Sunday morning worship service on Sept. 23.

A letter of fellowship has been sent to all canyon residents by the pastor.

On Sunday, Sept. 30 the pastor will bring a sermon called "Beauty for Ashes" based on the text from Isaiah 61: verses 1-3, Sunday, Sept. 30 has been designated as Promotion Sunday and services of promotion will be held for the various Church-School classes.

A WEDDING

The chapel of the beautiful Mt. Baldy Village Church was the setting for the impressive marriage rites of Barbara Ellen Grable and Kenneth R. Demmitt, both of Claremont.

On Saturday evening, Sept. 22 at 7:30 p.m., 120 guests gathered to witness the candlelight service. The Altar was decorated palms and candelabra and wedding music was played by organist Donald R. Walters of Montclair. The bride, was resplendant in an ivory-white satin gown with hoop skirt, sweetheart neckline and long sleeves. Her veil was four-tiered finger-tip caught in a crown of pearls. Her long train was fashioned into a bustle after the ceremony. She carried a bouquet of gardenias and stephanotis tied with white satin ribbon. Miss Grable walked down the white bridal runner to the altar with her father Mr. Joseph Grable.

The Rev. Darrell R. Nichols, school friend of the bride and groom, read the double-ring ceremony which united the couple. The groom's attendant was Stanley L. Demmitt. Attending the bride as matron of honor was Mrs. Susan C. Williams, of Ojai, Calif. who was attired in blue taffeta with a long full skirt.

The bridesmaid, Miss Ita S. Demmitt was also attired in blue taffeta. They both had matching blue net headpieces and carried huge bouquets of blue mums. Little Miss Deborah A. Williams, flower girl, wore a blue organdy dress with blue bonnet. She carried blue mums in a blue basket.

Ushers were Allan Michaud of Ontario and Ralph L. Williams of Ojai, Calif.

The bride's mother, Mrs. Joseph Grable wore a metallic blue and gold sheath dress with matching full-length coat and hat with veil. Her corsage consisted of three white orchids.

After the ceremony a reception for those who witnessed the rites as well as many other friends was held at the home of the bride's parents, Mr. and Mrs. Joseph L. Grable at 581 San Jose Ave., Claremont, Calif.

PARTIES AND VISITORS

It's nice to have Annis Bevans home again. Traveling Annis returned from Sacramento where she visited her aunt who is a spry 86. Annis left immediately to spend a week at the Thomas Hinmans in Upland. The Hinmans are former Baldyites. Annis stayed with the children while the parents took a trip. We hope Annis will stay awhile so we can catch up on her travels.

A surprised and pleased Johnny Hart was feted with a birthday cake on Sunday, Sept. 16 at the Mt. Baldy Lodge, by Peg and Doug Sandeman. A host of friends were on hand to wish the genial John many happy returns.

Several Chaffey College students were on hand bright and early Saturday morning to go exploring with the "professor", Joe Ulmer.

COMMUNITY CLUB NEWS

Women of the canyon gathered for their September meeting at the Chapman Ranch or Thursday evening, Sept. 11. Members brought a covered dish, and hostesses supplied the rolls and coffee. The meal was served in the picturesque picnic area owned by Mrs. Eleanor Chapman. Assisting Mrs. Chapman as hostesses were Joan Fagg, Carol Lynn Althouse and Jody Kolar. Highlight of the dinner was the serving of a cake sent by Don Hewitt to honor his wife Claude's birthday.

The club's president Betty Gardner conducted a business meeting which included brief reports by committee chairman and plans for future money-making projects.

Members were urged to bring in rummage to Lucille Gardner and Jody Kolar for storage for the proposed rummage sale in early October.

RUMMAGE SALE DATE SET

Thursday and Friday Oct. 4 and 5 are the dates set for the rummage sale to be held by the Community Club in conjunction with the Church. The sale will be held in Upland. Members are asked to put their rummage in salable condition and get it to the storage places before Oct. 3.

GET WELL WISHES TO:

To Marlys Pruitt home after surgery in the Huntington Memorial Hospital - and doing nicely we hear.

To Yvonne Abbey spending some time in San Antonio Hospital.

AROUND THE CANYON

Andy Barmakian inviting everyone.

Lucille Gardner signing her name three times.

Mac Linn walking the dog.

The Hewitts out for a stroll.

Judy and Bill Whitson and son Mark taking the air.

The lads from the F.S. on the double.

Susan Young giving a permanent to her favorite client.

The Chamber of Commerce spreading the word.

Kirby Bonds saying, "I've been there!"

Lloyd Brown visiting the canyon.

Jim Chaffee up bright and early to drive for 'the Pictures'.

Mt. Baldy School Staff planning to entertain.

CONGRATULATIONS

Congratulations to Andy Barmakian on the opening of his beautiful and modern Colonnade Building in Upland.

Aplogies and belated birthday wishes to Susan Young for the 19th.

To the Chamber of Commerce for their fine exhibit at the Los Angeles County Fair.

Double congratulations to the Chamber for the acquiring of litter bags for distribution to the public. The handsome bags which proclaim "Keep Mt. Baldy Clean and Green" are one of the many services this organization sponsors.

Elementary PTA Plans Get Acquainted Night

The first general meeting of the Upland Elementary School PTA is scheduled for 7:30 p.m. Thursday, Sept. 27 in the school auditorium for a get acquainted night.

Following a brief business meeting the teachers will be introduced by Mr. Riley, principal, and the meeting will adjourn to the classrooms where the parents may "get acquainted" with their child's teacher.

The teacher will give a brief run down on the planned studies and activities for the year. The parents are urged to bring their children with them.

Coffee, punch and cookies will be served in the cafeteria by the sixth grade room mothers.

Mr. Henry Brune, president was in charge of the first fall meeting of the Executive Board held Thursday at the school teachers lounge. Mrs. Luther Hayden, life membership, filled the vacancy left by the secretary, Mrs. Howard Clark's resignation.

Mrs. Knneth Lauderback, legislative chairman, read the following changes in the by-laws, to be read at the next PTA meeting.

The new fiscal year will be from June 1 to May 31. Officers will be installed in May. The PTA meeting date will be the last Thursday of each month. The election date will remain in March.

Mrs. Janet Johnson, school nurse, expressed her thanks to all who helped in the recent polio clinics. She announced there will be a mop-up clinic sometime in December.

The PTA will sponsor a bowling league this year to raise funds to meet the budget. All interested persons may contact Mrs. Henry Brune at Yu 2-4524.

Mr. Riley says a safety program, sponsored by the Foothill Council PTA and Upland Police Dept., will be held at Upland Elementary on Oct. 2.

Mrs. Brune appointed Mrs. Kenieth Lauderback, legislative aid Mrs. Teofilo Aquilor courtesy chairmen. Other chairmen needed are honorary life, welfare, parent education and civil defense.

Rebekahs Meet At Bigley Home

The September meeting of the Silver Link Rebekah Social Circle was held Sept. 21 in the home of Mrs. Grace Bigley. She was assisted by her sister, Mrs. Dean Craig.

Following a business meeting, Canasta and other games were played and refreshments served.

Those present included the Mmes. Richard Bingham, Julia DePaula, Lenora Harter, Gladys Burge, Watts Cate, Jerry Davis, Charles Deverts, Cora Griffith, Emma Gunn, Juanita Moore, Laurietta Oyler, Everett Robinson, Archie Robinson, Jay Rowberry, and Mabel Smith.

PV Women's Guild Sets Luncheon

The Women's Guill of the Pomona Valley Church of Religious Science will start the Fall Season with a Let's Get Acquainted Luncheon".

The date set for the potluck luncheon is Thursday Sept. 27 at 11:30 a.m. The setting will be the patio of Mrs. Paul Povlsen of Covina.

The program will start with the entertainment by the popular singing group, "The Sweet Adeline's". Those attending are asked to bring either a salad or dessert and to contact the church for directions to the Povlsen residence.

Dedicated To Building A Bigger And Better Community In Which To Work, Live And Relax

AN EDITORIAL

A Little Student Exercise!

The regulations and policies on high school bus transportation has provided many parents the 'opportunity' of attending a meeting of the Board of Trustees. The stormy session brought reality to some of the more reasonable parents that the board has "a rough road to travel."

It's a slim line when students must walk two miles to school while others living only a short distance further away are permitted to ride. However, we are convinced that the trustees are doing their best in attempting to be fair and to abide by the many regulations imposed by the state, including the two-mile bus ride limit. There must be a limit some where.

Some of the 25 parents in attendance suggested that taxes be raised to supply additional transportation facilities . . . . . or that other services be cut to provide the money.

Taxes are currently at the maximum limit imposed by the voters and the budget had been thoroughly gone over and the board did not know what services could be cut.

Buses are now overloaded and the two new buses on the way will alleviate the overloaded condition.

The administration attempted to make it plain that because of regulations imposed by the state, the two-mile limit must be enforced in order to receive the $20,000 reinbursement from the state. If students inside the imposed limit were to be picked up, the state could withhold the money and leave a $20,000 hole in the budget. With state financial support comes state control.

Parents protested that their sons or daughters faced danger in walking to school on heavily traveled streets that do not have sidewalks . . . and that the danger of being molested should be considered by school authorities.

The school board decided that many distances would be re-checked and appropriate cards issued for students to ride if they were found to live outside the two-mile limit

It would also be well if the board would allow no exceptions within the two-mile limit, except for physically handicapped youngsters.

Trustees also will discuss the problem of bus transportation at a seminar meeting scheduled for Oct. 8.

With restrictions placed on local boards by the state growing every year, it should help parents realize that our trustees control of local policies is waning. Many of the services wanted and needed locally are out of local hands.

Until something can be done on the transportation problem, indeed if it can, the students will have to get a little exercise by walking, or parents should take on some of the responsibility in the form of car pools. This is presently being done in many areas of the district and apparently working satisfactorily.

Parents have a great stake in the EDUCATION of their children. Our trustees should receive as much cooperation and understanding as possible on a side issue such as door-to-school transportation.

It wouldn't hurt any parent to attend a session or two of the board and discover the multitude of problems it faces in attempting to offer the best in educational facilities for our district.

Upland Assistance League Issues Annual Report

(Editor's Note: Following is the Annual Report of the Assistance League of Upland issued by the President, Mrs. Robert S. Watline.)

It is with pleasure that we share with you again the activities and progress of the Assistance League of Upland during the past year.

As we review the last twelve months, we can see that the League has continued to grow. Our working membership now numbers 58 members who gave 6,828 hours of volunteer work, covering everything from scraping and painting the Dental Clinic during the heat last summer to being ushers at a concert and acting as hostesses for a formal dance.

Our fund raising events brought in a higher income than ever before, and some of our services were extended. As this community continues to expand, we can see the need for continued growth in our services to the community, and we feel that the need can be met.

A large part of the volunteer work is spent on operating our projects, the oldest of which is the Dental Clinic. Started over 15 years ago, the Clinic now serves the students of 12 schools. 47 sessions were held this past year, staffed by five dentists and by League members who worked 613 hours. Three members help at each session, one as a dental assistant, one assigned to give dental education to the children who are waiting their turn with the dentis, and one as secretary in charge of scheduling appointments, interviewing parents, and writing case histories. 148 children were treated during a total of 372 visits, for a total cost of $1424.46.

We were able to purchase a new Airotor drill and compressor this past year at an additional cost of $884.19. We have long been in need of this piece of equipment, and the dentists are now able to do more work per child in the same time with greater comfort to the patient.

Our second big project is the Girls' Club of Cucamonga which was started in 1962. A recent survey of our work showed that of the 70 girls in the area served by the Club, 65 were attending the meetings. In fact, the attendance increased so much the last two years that it was again necessary to limit our program to sewing and cooking with the younger girls coming on separate days from the older ones.

A second part-time instructor again helped us, and at least two League members were on hand all four days of the week that the Club is open. The regular six weeks' summer program was again a success and, in addition, four girls were sent to an organized one week camp program.

The school officials inform us that the girls who attend show a definite improvements in manners, ability to assume responsibility and willingness to share. In additional, the law enforcement agencies feel that our work has a definite good influence on the juveniles in the area. For all of this, the League members donated 627 hours this past year, and the total cost was $2,398.38.

Companion to the Girls' Club is the Boys' Club of Cucamonga which operates under the supervision of a YMCA instructor who is paid by the League. 35 to 40 boys meet fives times a month for a program of sports and trips. This program was expanded to include more day trips, and eight boys were sent to a regular one week summer camp after working hard to earn part of the fees.

In addition to our own projects, there are several community services on which League members have worked. Once a month, seven League members have staffed the San Bernardino-Riverside Counties Blood Bank by supplying clerical help, a total of 156 hours.

The Boys' Club of Upland received some financial support from the League to enable it to operate a program of sports and dances for an average group of thirty boys. As in the past, our chapter has donated work and financial assistance to the Chaffey District Youth Organization, the teenage group originally sponsored by the League. And of course, some of our members have worked hard on the United Fund and other community drives.

More than 80% of the money needed to run our philanthropies is realized through the League's fund raising functions, and this year these events were unusually succesful. Our chapter has a right to be proud, too, of the fact that over two-thirds of the money taken in through our functions is returned directly to our projects—less than one-third is spent on the expenses of the functions themselves.

The Annual Tea in October in honor of our Patronesses, and Life and Sustaining members brought the largest net profit in League history, a total of $2,772, and our spring Rummage sale realized $535.32. This year the League presented the Limeliters in Concert, which was a new fund raising venture for us and to our delight our net profit was $2,752.

The annual Mistletoe Ball added $2,401 to the year's income. At their own expense, the League members were hostesses at two social hours preceding the Mistletoe Ball and the informal hospitality was so pleasing that the plan will be continued this December.

Our Spring dance had a larger attendance than ever before and as a result we were able to add $1,223 to our building fund.

For many years it has been the dream of the League to have a League Center which would house our Girls' Club as well as our chapter activities. Realizing that it was not financially sound to maintain our Chapter House and pay rent for a building to be used in our Girls' Club program, the League sold its Chapter House this past spring in anticipation of one day building a new Center.

The League members were so enthusiastic concerning this program that, coupled with the realization that within two years our Dental Clinic would be moved into San Antonio Community Hospital at great expense to the League for new equipment, the general membership excitedly and whole heartedly pitched in to make this year our greatest financial success.

As a result we were $3,000 over our budget which assures us of one new dental chair and an additional $2,000 toward the building of a League Center. A land Purchase committee was formed and within the past three weeks, suitable property for our Center has been found, the location and price have been approved by the general membership and plans are underway for its purchase by the League. With your help, a dream will become a reality.

The support of the community we are trying to serve is invaluable to us for, without that support, we would be able to accomplish very little. The confidence which you as Patronesses, Life and Sustaining members have shown in us is more than re-assuring, and we hope we continue to merit your support in the year to come.

Merri-Anns Fete Mrs. Johnson

Merri-Anns Birthday Club recently gave a going-away party for Mrs. Everett Johnson at the Jade Palace.

Mrs. Johnson was presented an orchid corsage and a set of milk glass dishes, from the group. Mrs. Charles Adams fashioned the corsage and Mrs. Robert Coulson made all arrangements for the party.

The Johnson's are building a new home at 5802 La Jolla Carne Dr., La Jolla. While waiting for the completion of their home they are residing at Pacific Beach.

Those attending Mesdames John Funk, Blythe Rosenberger, Paul Dibble, Anthony Barone, Dale Delozier, Charles Adams, Stanley Kozlow, Robert Coulson, William Joseph, Henry Dybsand, Craig Trelford, Harold McCreight, and the honoree, Mrs. Johnson.

D. Billboards or advertising structures other than the signs permitted in Section 9110.80-c-H below.

E. Churches

F. Gas stations (except facilities for the owner's own vehicles)

G. Any use which is a nuisance by reason of the emission of odor, dust, gas, smoke, noise, fumes, vibrations, or heat beyond the exterior limits of the premises, or which is dangerous to the general public safety or welfare.

Section 9110.80-d — Same. Property Development Standards.

A. Lot or parcel area and dimensions:

1. The minimum lot or parcel area shall be one acre; provided, however, that in any event, any lot or parcel shall have a minimum frontage of not less than 150 feet and also provided that any lot or parcel shall have a minimum depth of 200 feet, such frontage and depth, each requirement, to apply independent of the other.

B. Yard or building setback line minimums:

1. Front yard 60'; side yard 40'; rear yard 60'. Exception: Entry canopies open on four sides may project not to exceed 40' into the front yard setbacks. Such canopies may, however, be constructed abutting the main structure, in which case, only three sides shall be required to be open.
2. When adjacent to "R" or Agriculture districts, the provisions of Section 9110.80-c-J (below) shall apply.

C. Lot Coverage:

1. Thirty-five (35%) per cent of the area of any lot or parcel of land shall be the maximum coverage permitted by all buildings or structures.

D. Off-Street Vehicle Parking:

1. There shall be one (1) off-street parking space for each one hundred (100) sq. ft. of building gross floor area. Such parking area shall be located on the same lot or parcel of land as the building or structure served, or lot or parcel within the same zone.
2. Off-street parking shall be permitted in the required front yard area to within 20 feet of the front property line, but shall not cover more than 65% of such required front yard. All other required yards may be utilized for off-street parking, except that in required side or rear yards adjacent to an existing or proposed street, automobile parking shall encroach no closer than 10 feet from the property line. The 20 foot strips and 10 foot strips respectively shall be landscaped and maintained. (When adjacent to "R" or Agriculture District, the provisions of Section 9110.80-c-J (below) shall apply.
3. Each off-street parking space shall be provided with adequate ingress and egress and be arranged so that vehicular movement between the parking space and public right-of-way may be made without backing the vehicle into or off the public right-of-way.

E. Off-Street Loading:

1. The requirements of Section 9110.109-I shall be complied with.
2. Loading space shall be permitted in required interior side yards and in rear yards not abutting a street, but shall not be permitted in any required front yard or side yard facing a street.
3. Loading spaces shall be in addition to off-street parking spaces.
4. Direct loading from public street shall not be permitted.

F. Building Height Limit:

1. All buildings or structures erected in this District shall have a total height no greater than 35 feet. Buildings higher than 35 feet may be permitted subject to the issuance of a Conditional Use Permit as provided for in Section 9110.117. Provided, however, that no building over 35 feet in height shall be located closer to any property line or street right-of-way line than a distance equal to two times the height of said building.

G. Landscaping:

1. All open areas not paved or covered shall be landscaped and maintained with turfing or groundcover, trees, and/or shrubs.
2. A minimum total area equal to twenty-five per cent (25%) of the total parcel to be developed, shall be devoted to landscaping.
3. Parking and drive areas shall be landscaped in conformity with the provisions of Section 9110.109-H-5.
4. When required yards adjacent to streets are used for off-street parking as set forth in Section D-2 above, there shall be a three (3) foot high masonry wall constructed where the off-street parking area abuts the area of landscaping.
5. An adequate irrigation system shall be installed to insure a continuous maintenance of the landscaping and planting required by this Section.

H. Signs:

1. Billboards or advertising structures are prohibited.
2. One sign or emblem shall be permitted for each building advertising the name of the person, firm or corporation occupying the building, or the name of the project or service of the tenant.
3. Signs shall be single faced, secured to the building and shall not extend above the roof of the building.
4. Temporary real estate signs shall not exceed one hundred (100) square feet.
5. Parking, loading areas, driveways and vehicular or pedestrian access areas shall be constructed in conformity with the provisions of Section 9110.109-H-5.
6. A trash and refuse storage area shall be required on every lot or parcel of land and shall be readily accessible for collection. When outside of a building, a trash and refuse storage area shall be enclosed by a concrete or masonry wall not less than five (5') feet in height, and shall have a door for trash and refuse collection. Trash and refuse shall not be stored in any outside storage area higher than the height of the required enclosing wall.
7. All utility services shall be placed underground in a manner as prescribed by the Engineering Department.
8. Exterior floodlighting, when used, shall be installed for all exterior areas in such manner as not to be a nuisance to adjacent properties.
9. No building or structure of any kind or type shall be moved into the R-D District, nor shall any portable building be permitted to be placed in this district, except when used in construeting a building.

J. Relationship of Research and Development Districts to "R" Districts and Agricultural Districts:

1. Whenever a lot or parcel of land in the R-D District abuts a lot or parcel of land in an "R" or "A" District, or abuts any street or alley which separates an R-D District from any "F" or "A" District, there shall be a required building setback of sixty (60) feet from such lot or parcel of land in the "R" or "A" District, street or alley. When a lot or parcel of land in the "R" or "A" District is separated from an "R-D" District by a street (except in the instance of where a lot or parcel of land in an "R" or "A" District backs to such street) the building setback area in the R-D District shall be landscaped and maintained with turfing, or ground cover, and trees or shrubs and such landscaped portion shall have a minimum depth of sixty (60) feet adjacent to the street property line. Any wall extending into the required landcasped area set forth above shall be no higher than three (3) feet. When a lot or parcel of land in an "R" or "A" District backs to, or sides to an R-D District or backs to a street that separates such districts from an R-D District, or is separated from an R-D District by an alley, a solid masonry wall not less than five (5') feet nor more than six (6') feet in height shall be constructed along the property line separating the "R" or "A" District from the R-D District or along the street or alley right-of-way line.

SECTION 4: Chapter 1 of Article IX of the Upland Municipal Code is further amended by amending the following sections of said code to read as follows:

A. Section 9110.109-H-3-(a) - "C-1" Neighborhood Stores District (first paragraph) is amended to read as follows:

There shall be provided at least ONE (1) PARKING SPACE OF 200 SQUARE FEET FOR EACH EIGHTY (80) SQUARE FEET OF GROSS FLOOR AREA, AND IN ADDITION THERETO, THAT AISLE SPACE AND OTHER AREA REQUIRED FOR SAFE INGRESS AND EGRESS.

UWC Holds Informal Coffee Hour

A special get-acquainted coffee hour was held Tuesday, Sept. 25, at the Upland Woman's Club. Mrs. Ralph Almquist, President, welcomed all board members and members of her committees for the forthcoming club year.

Mrs. R. H. Schulze conducted a frolicking game of introductions similar to musical chairs. There was not doubt as to anyone's identity in a few minutes.

Mrs. C. P. Jacobs gave the thought for the day and an informal meeting was held.

The major philanthropy fund raising of the Upland Woman's Club this year will be a Dime-a-dip dinner on Nov. 17, open to all members, their guests and the public. Turkey and ham will be sold at twenty cents per portion and all other entrees at ten cents.

Everyone is invited to bring the entire family for an inexpensive dinner. All foods are to be donated and prepared by members and served by them.

It is being considered to have a display of hand made Christmas gifts to be offered at low cost to early shoppers.

Oct. 30, brings the fashion show this year. Some fashions are in preparation now by members, and beautiful fall ensembles are being offered by the Town and Country Shop.

Hostesses of the day were Mesdames Henry Dybsand, Roy F. Laux, and E. L. Matthews. The lovely table arrangements were made by Mrs. Ralph Almquist.

NEW SON

A boy was born to Mr. and Mrs. Peter V. Pizzuto, 8011 Etiwanda Ave., Etiwanda on Sept. 18 at San Antonio Community Hospital.

Highlander Eleven Tie Red Devils

Upland High School's varsity grid squad revealed their spirit and talents Friday night when the green-shirted lads of Coach Hoyt Baker gained a 19-19 tie with heavily favored Pomona.

The host Highlanders trailed the Red Devils for three quarters but knotted the score early in the final period on Monty Parratt's 25-yard end run. His attempt to run for the winning point failed.

A fumble by Upland in the first period set up the initial score for Pomona. Parratt started with a 40-yard opening runback and Quarterback Scott Cameron moved his team to the Red Devil's 19. The Highlander fumble was recovered by Pomona and the first march of Coach Don Green's visitors was underway.

The Highlander line proved too tough to penetrate, so Quarterback Bob Ojinaga used the overhead route with a 43 and 28-yard advances to the Upland five. On the third place, big Tim Marxmiller crashed left guard for the first game tally. Pomona's kick was good and the Red Devil's took the lead 7-0.

Marxmiller scored again in the second period from the one-yard line following another aerial attack with Ojinaga hitting end Gene Van Dyke.

With time running out in the first half, Upland fumbled on the kickoff return and Pomona recovered. Two plays later, Highlander halfback Lee Quinn intercepted a Pomona pass and brought it back to the Upland 40. On the next play, Cameron tossed an aerial to Quinn who raced 30 yards for the Highlanders first score. The PAT was blocked and Pomona led 13-6 at halftime.

Four plays after the kickoff to start the third quarter, the Red Devils scored again on a 36-yard run by halfback Dan Ferros. The extra point attempt was wide to the left, but Pomona was in the lead 19-6.

Not to be stopped, the Highlanders bounced back for two more tallies, both by senior fullback Monty Parratt.

With less than five minutes to go in the third period, Parratt pushed over from the one-yard line after the Highlanders marched back up the field. Richard Hargarves made his first and only PAT.

In the final period, Pomona was held scoreless while Upland gained their tie on a 24-yard run by Parratt mid-way in the last quarter.

Senior quarterback Scott Cameron completed 10 of 16 passes for 183 yards and no interceptions. Pomona's Ojinaga completed 5 of 9 passes for 139 yards and had one interception.

Parratt led both teams in ground-gaining with 98 yards in 19 carries.

The Highlanders will travel to Ganesha on Friday. Game time on the Mt. Sac field is 8 p.m.

THE RED DEVILS tallied for the second time with 1:19 to go in the second quarter Friday night at Highlander Field giving them a 13-0 edge. The surprising Upland eleven, however, retaliated with less than a minute to go in the half on a 40-yard pass play from Scott Cameron to Lee Quinn and gained a 19-19 tie with a heavily-favored Pomona team. Above, Tim Marxmiller (21) on the right carrys over from the one-yard run for Pomona's second score.

Psychiatrist Says Marrs Knew Events

On the 29th day of the murder trail of Bob Marrs, accused of slaying evangelist Dan Gilbert in Upland May 31, a court-appointed psychiatrist said Marrs knew what he was doing when he shot Gilbert.

Dr. Maxwell Shack, assistant superintendent for psychiatry at Patton State Hospital, had observed Marrs briefly on July 4 and again for two hours of examination July 10.

Dr. Shack told the court that he does not believe Marrs was acting unconsciously.

He said Marrs had told him many things that went on in the hotel room and that he was emotionally charged. It was not automatic behavior, the psychiatrist said.

Previously, a psychiatrist testifying for the defense, said that he believed Marrs was in a disassociative reaction state, a form of temporary insanity in which the subject acts unconsciously.

Gilbert, reputed to be the father of Mrs. Marrs' unborn child, was shot in the head shortly after 10 p.m. on May 31 in Gilbert's room at the Uplander Motor Hotel. Marrs was taken into custody a short time later and had entered pleas of innocent and innocent by reason of insanity.

Dr. Shack was to return to the stand Tuesday, Sept. 25, for further questioning by Marrs attorney, Robert P. Stebbins. The psychiatrist was not expected to be the last rebuttal witness and the case may not go to the jury until next week.

Grace Lutheran Sets Rally Sunday

Russell Hansen, superintendent of the Sunday School, has announced that Grace Lutheran Church will hold its second Rally Sunday for the Sunday School pupils at 9:15 a.m. Sept. 30.

An evangelistic filmstrip will be shown along with the promotion of pupils to their new classes for the coming year. Pupils will also be recognized for their attendance and class achievements.

At the 10:30 a.m. church service, the Rev. Kenneth Rusdahl will welcome four families into the church congregation. A fellowship period will be held following the service.

The pastor also announced that the Sunday School teachers will attend a training course at Trinity Lutheran Church, San Gabriel, on Sunday afternoon. The program is designed to help Sunday School teachers in their teaching methods.

plan is adopted by the County Committee, it will be incorporated in the county master plan for presentation to the State Board of Education. The state board can accept or reject the unionization plan.

If accepted, an election must be set up in each of the nine districts involved and each district's voters must approve the plan.

The study group views their recommendation as an intermediate step. But, whatever action is taken, either unionization or unification is a long way off.

Comments From the SWIVEL CHAIR

by Glen Young

Teaching is a highly respected profession ..it should not be considered as a trade.

Yet, some teachers, about 4,000 of them in California, think so little of their position that they are dues-paying members of the American Federation of Teachers, a union affiliated with the AFL.

Organized labor is, perhaps, essential as a bargaining agent to represent the millions of tradesmen in the country. The union, however, should stick to its side of the fence.

Teachers are well represented by the California Teachers Association and the National Education Association. These organizations seek to achieve for teaching its true place among the professions.

The CTA and NEA are not made up of hot-heads who would demand certain pay and status on an immediate "put-up-or-strike basis." They are relatively conservative in working with school boards and legislators to improve conditions of the profession.

Most teachers apparently don't believe that their positions should be measured in hours and minutes and be compensated accordingly. This is what the union believes.

Professional progress is not achieved through conflict. The key word is cooperation...a word seldom found in a labor union's dictionary.

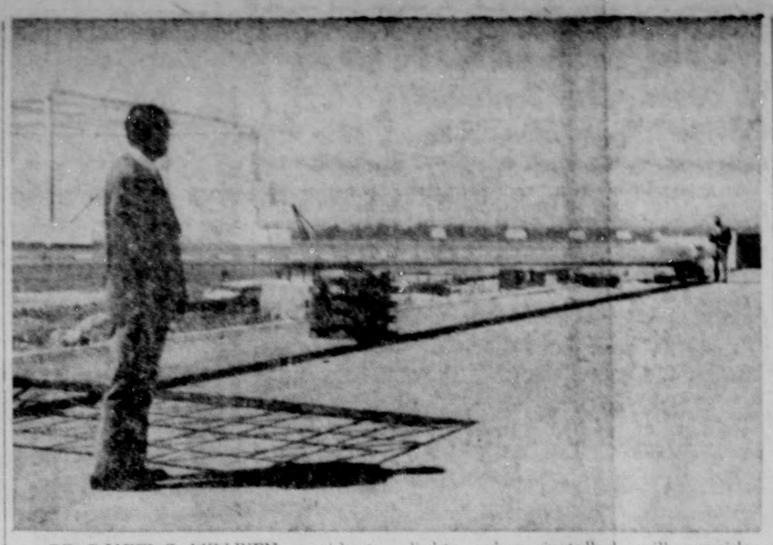

AFL-CIO leaders have recently been making attempts to enroll white collar workers .. including teachers. This state is a prime target. I am of the firm opinion that a labor union has no business controlling the teaching profession.

With the use of the power that labor unions enjoy, it would be possible to stop the educational process should their demands not be met by taxpayers...it would be possible to heap even more power upon unions with a union-oriented teaching profession... teachers would become metely tools to further the aspirations of union leaders.

Teachers should remain independent as they deal with the human mind, not machines. Their working conditions are variable and almost impossible to adjust uniformly, such as a factory tradesman.

The best interests of our teachers and our children lie in remaining independent... cooperating with all citizens interested in good schools and good teaching.

"Our forefathers built a mighty nation. If we want it to continue, we must return to the original blueprint." — Dean M. Worden, Brookfield (N.Y.) Courier.

DR. DANIEL B. MILLIKEN, president of Chaffey College, inspects one of the eight new light standards being installed at Chaffey's stadium. At the far end of the standard is William L. Grigsby, Chaffey comptroller. The lights, when installed, will provide eight banks of 1500 candlepower lights which total 144 individual lamps. This will provide adequate lighting for any type of evening activity.

Kiwanians Hear About Numismatics

Members of the Upland Kiwanis Club heard a talk by Mr. Cyrus H. "Cy" Phillips during their regular luncheon meeting at the Stuft Shirt on Sept. 25. Mr. Phillips, business development representative of the Bank of America, spoke on the subject of numismatics.

A long-time hobby of coin collecting has become for Phillips his present-day vocation. For many years a numismatist and an acknowledged professional in this field, he represents Bank of America as a lecturer on American money, speaking to Southern Califtrnia civic and school groups on "Historical Background of American Coinage". He has also made many talks on radio and has appeared on television shows.

He is a member of several numismatic groups as well as other organizations. In addition to holding membership in the American Numismatic Association and California and New Jersey State Associations, he is a charter member of the Southern California Association.

He is also a member of the San Gabriel Valley and Jersey City, New Jersey, coin clubs. A past master of Palisade Masonic Club, Phillips belongs to Monrovia Chapter of Toastmasters International.

In 1947 Phillips was awarded a certificate or recognition for his efforts in preparing coin displays for public viewing during annual "National Coin Week".

He presents a special exhibit of coins at virtually all new Bank of America branch openings in Southern California.

Motet Choir Selected At College

Thirty-eight Upland College students have been named to the famed Motet Choir, Myron Tweed, the director, states that 13 new Upland College students will be taking part in the choral activities for the first time.

The Choir has presented sacred concerts in the several Western states and before thousands of people in church congregations. This year they will present concerts in southern and central California. During the Easter Vacation period they will travel by bus for concerts in churches in the Central part of the Golden state.

Padua Hills 30th Season Opens Oct. 2

Padua Hills Theatre will begin its 30th aconsecutive season featuring The Mexican Players upon their return from vacation Oct. 2.

"Festival Mexicano", a concert of songs, dances, and intimate, humorous sketches from most states of Mexico, will be resumed for six weeks, closing with matinee and evening performances Nov. 10.

Padua Hills Theatre presents The Mexican Players throughout the year in a series of colorful productions featuring songs and dances drawn from various secors of Mexico, authentically re-creating sets and costumes, thereby providing visitors and patrons with insight into the customs of Mexico and Early California.

"Festival Mexicano", like all plays at Padua Hills Theatre, is staged six times every week, Wednesday through Saturday. The Mexican Players also entertain at luncheon and dinner daily except Mondays in the dining room of non-profit Padua Institute. Gift and pottery shops are also open daily except Mondays.

Located three miles north of Foothill Boulevard, reservations may be made by calling NAtional 6-1288.

Blind Center Opens Oct. 3

The Ontario Blind Center will open its 14th year of service to the community Wednesday, Oct. 3, in the Ontario Woman's Club, 738 N. Euclid Ave.

It will be open each subsequent Wednesday until June of next year, announced Frank L. Allen, director of the Center.

The Center, which remains open from 10 a.m. to 3 p.m. provides recreational and social activities for the blind and partially blind of Pomona, Upland, Ontario, Chino, La Verne, Claremont, Montclair and Cucamonga.

This project has helped over 150 handicapped people fill their days with interesting activity as well as provide rewarding work for scores of volunteer workers. There has never been any charge for any of this service to the blind.

The Center can always use volunteer help and transportation for the blind. Also any one who knows of any blind interested in attending the Center are asked to phone Mr. Allen at Yukon 4-3647 or Paul Breese of the Lions Club at Yukon 4-8129.

New Grapevine Pruning Machine Developed Here

Cucamonga-West End grape growers seem to be working overtime developing new and better farm equipment. Anthony Colombero recenily modified a bean runner-cutter to prune back vine canes that interfere with summer cultivation and pest control operations.

Farm Advisor Chet Hemstreet says this vertical cycle-bar type grape cane cutter was demonstrated by another local grower, Joe Dippolito, who had seen how well it worked in one of the Colombero vineyards. Chet believes that with some modifications, this machine could be used in vineyards with different vine spacings.

The lack of capable farm workers trained to properly complete jobs requiring hand labor can be partly overcome by such grower-developed mechanized equipment. We believe all grape growers should investigate the use of the Colombero cane cutter in their vineyards before they start the winter pruning operation.

A quick vine haircut with a cane cutter could speed up the planting and irrigation of fall cover crops in those areas plagued by wind-blown sand movement.

County Deer Season Has DFG Forecast

Following is a summary of reports from wardens and game managers of the Department of Fish and Game on hunting conditions for San Bernardino County portion of the inland or late deer season which opened on Saturday, Sept. 22, and continues through Sunday, Nov. 4.

Shooting hours are one-half hour before sunrise to one-half hour after sunset.

A good carryover of bucks is reported for most San Bernardino County areas, and the animals are in good to excellent shape. Because of good feed and water conditions, the deer are scattered and may be found at elevations ranging from the lower canyons to over 7000 feet.

Hunter successin the county last vear was unusually low, with only 384 bucks taken, because conditions were very hot and dry, and no rains occurred to permit the opening of vast areas closed because of the fire hazard. The buck harvest for areas that were open was about average.

Areas open to hunting will be all national forest and public lands not included in county firearms closures or U.S. Forest Service fire closures.

The Lytle Creek area north of Fontana, about 100 square miles, will be open, with best bets at Coldwater Canyon, Stockton Flats and upper Lone Pine Canyon.

Much of the Big Bear Lake district is in the county firearms closure area and all hunters should get a map of this area from any sheriff's substation or national forest guard station. A popular spot for hunting is likely to be Skyline Drive, a ridge south of Big Bear extending to Sugarloaf Mountain.

The area around Holcomb Creek is also a good bet. It can be reached via Doble Mine Road north of Baldwin Lake, or Van Dusen Road, Polique Canyon Road or Delamar Mt. Road, all north of Big Bear Lake. All back roads and truck trails should be in fair condition and open to the public.

The entire San Gorgonio Wilderness area will be open this year, as will the Clark's Truck Trail area, Radford Truck Trail, and the desert canyons behind Whitewater, Yucca Valley and Morongo.

The main hunting areas may be reached by going east on Highway 38 from U.S. 99 in Redlands. Hunters should stop at the Mill Creek ranger station on Highway 38 to get a map showing local county firearms and fire closures.

Sugarload Mountain was the best area last year with the San Gorgonio Wilderness Area close behind. Hunters in the Wilderness Area did best on horseback in the Slushy Meadows, Dollar Lake and Ten Thousand Foot Ridge areas. Desert canyons were relatively poor last year and the outlook is the same this year.

Road conditions are generally good and open truck trails will be graded before opening day. Clark's Truck Trail is rough and recommended for jeeps and pickups only.

The New York nd Providence Mountains and Mid Hills area in the desert country north of Essex is open, with good access on good raods. Deer should be in fair condition with hard antlers. Some 39 deer were taken in this area last year and it is expected that 40 or 45 will be taken this season.

New Price Policy Set At UHS Games

Youngsters not of high school age and not accompanied by an adult will pay $1.00 admission to Upland High School football games.

Gus Rischer, director of student activities, today announced the new price policy set by the student council. He explained that the student council is anxious to keep good order in the stands during the games, and youngsters unsupervised by adults sometimes create problems.

Upland High School students attending football games compete with the opposing side for the TCL sportsmanship flag. Orderly spectators and restriction of unsportsmanlike noise and action are two of the judging points.

Rischer said that the student council feels that youngsters sometimes become a bit too exuberant, and because of lack of supervision, may unintentionally cost UHS the privilege of flying the flag.

Youngsters under high school age, and accompanied by an adult, will pay 50c admission. Youngsters under high school age accompanied by a parent holding a season ticket will be admitted free.

SC Gas Co. Introduces New Service

The Southern Counties Gas Company recently introduced another service convenience to all customers in the Pomona and San Gabriel Valleys, according to Donald E. Shively, Division Manager.

An amazing device known as an automatic call distributor, provided by General Telephone Company of California, now immediately connects Gas Company customers directly to any of 17 Service Representative positions.

This apparatus works in the following manner: When a customer places a service call to NA 2-1151, ED 9-1211 or YU 6-2793 the mechanism automatically searches out a vacant service representative line and instantaneously connects the call.

During heavy calling periods, it is possible for all lines to representatives to be busy. In this case, the equipment stores the calls, in the order received, tells the calling customer that all lines are momentarily busy, then releases them in sequence as lines are cleared.

There is also a special night answering arrangement whereby an electronic secretary intercepts all calls and provides the caller with appropriate information.

Clan Capers

By Sue Thompson

Described beforehand as "young, green, and inexperienced," our team refused to believe it as they fought the Pomona Red Devils to a tie last Friday night. A team like that deserves all the support and spirit that we Highlanders can give.

Attendance was good on Friday night, but there were also some familiar faces missing. This Friday, let's see all of you Highlanders out at the Ganesha game.

The need for spirit does not mean only spirit at football games. UHS also has winning cross country and water polo teams that deserve your support, so try to come to all the games.

Congratulations to the cheerleaders, songleaders, and marching groups for the fine job they did and a special thanks to Mascot Gayle Geren for promoting so much spirit.

The Get Acquainted Dance certainly accomplished its purpose. Seems that most of us got acquainted with more people while trying to get our coats, however, than at the actual dance. It was rather cozy.

Kilts and knee socks are going to be very popular for the girls this year. Worn for school or sports, the Highland-inspired fashions are warm, smart, and practical.

Be sure to buy your student body card if you haven't already. It will save you money on all the games and dances. Student body card holders who went to the game and dance last Friday saved one dollar and fifty cents, so be sure to buy your ASB card before the next game.

Also, Hielans are now on sale and everyone who buys his before Christmas gets his name put on it free.

Any of you who go to the fair should be sure to look for Susan Scoville, David Swihart, and Connie Tull, all juniors, who are working there.

Liz Lynch played hostess to several senior girls at a dinner get-together before the Pomona game.

By now almost everyone is reading for some kind of a report or just for the fun of reading. An interesting and different book to try is The Prophet, by Kahlil Gibran. This book is being discussed in Mrs. Corrine Morrison's literature classes. Try to read this book, as it contains something for everyone.

Don't forget that Iowa tests are coming up in the month of October. For you freshmen, this will certainly be an experience different from any you've had before, and for upperclassmen, it will be just the same old thing.

Kiwanis Clubs To Hear Mathias

"Sports in a Troubled World" will be the subject of Bob Mathias, international sports figure and guest speaker at the forthcoming Division 15 Kiwanis inter-club meeting Oct. 4.

This meeting will be the first international inter-club in all of Kiwanis history, in that the newly formed Kiwanis Tijuana, Mexico club will be represented.

Mathias, a native of Tulare, Calif., achieved international fame while still a high school student by winning the 1948 Decathelon Championship at the London Olympic Games.

He repeated this feat again in 1952 at the Helsinki Olympic Games by amassing a total of 7,887 points. Mathias is also a four-time winner of the U.S. National Decathelon-1948-49, 50 and 1952.

Arnolds To Tour

Ralph V. Arnold, President and Chairman of the Board of Directors of The First National Bank of Ontario, and his wife, Helen, left for Atlantic City on Sept. 22 to attend the American Bankers Association's annual convention.

Arnold is currently serving on the Board of Directors of the Association and is an immediate past-president of the California Bankers Association.

Following the convention, the Arnolds will fly to Lisbon where they have rented a car. They are going to spend some three weeks touring Portugal and Spain.

With Men In Service

Airman Third Class Doon C. Miller of Upland, participated in Exercise "William Tell", the Air Force-wide fighter weapons meet held in this area through Sept. 22.

Airman Miller, son of Mr. and Mrs. Donn L. Miller of 1033 Sycamore Court, is a base fuel supply specialist here. He is a graduate of Ganesha High School, Pomona.

William Tell provides a test of skills for pilots and support personnel in newly devised tactical concepts for limited and general war. The intense competition also develops the effectiveness of tactical fighter teams in close air support and combat-ready maintenance of jet aircraft.

Miss Clara Young has just returned from a two weeks trip to Hawaii. The trip was by United Air Lines, with a San Bernardino group.

A short time ago retiring from the Cucamonga Justice Court as County Clerk, Miss Young decided to do a bit of traveling, and she tells us she enjoyed the trip as well as the outer island flight. The most spectacular thing over there this time of year is the Shower tree, with its multitude of corors.

Mrs. Bryon Dean and Mrs. John Dean were guests at a tea in the home of Mr. and Mrs. Harold Clark of Upland.

The clarks are former Kansas friends of the Dean's, moving here this past summer from Winfield Kansas, to buy a home in Upland.

Mr. Clark was a grain broker in Winfield Kansas and has transfered his interests to this area.

The Clarks have two children at home, who will attend school in Upland this fall.

Rev. Claude Love, pastor of The Community Methodist Church of Cucamonga announces his sermon subject for Rally Day Sunday, Sept. 30. "The Tasks We Share".

This sermmon deals with the task each adult has in helping to educate the youth of our community.

This is not a job that is limited to parents and teachers, but must be shared by every adult.

This Sunday is the beginning of Christian Education week and will be observed by the Community Methodist Church of Cucamonga by promotion of church school classes, as well as recognition of the church school workers.

In attending church and Sunday school please bear in mind that adequate baby sitting facilities are provided for your convenience for your children too young to attend.

Having just returned from our vacation around the Grand Canyon Area, where we found the Quaking Aspen starting to run rampant in colors of red and gold. We expected to find the yard as bare of flowers as it was when we left, but returned to find Autumn's gold reflected in the Chrysanthemums; "Suddenly it was fall." and time for fall planting, so visited our local Cucamonga Nursery on Foothill Blvd.

Here I talked to Mr. and Mrs. O'Flaherty owners of the nursery. Mrs. O'Flaherty an expert in her field of plant culture, and lecturer took time out from her busy schedule, to advise me on fall garden chores and proper preparation of soil for the different fall plants, usually planted in this area.

Some of the advise given I would like to pass along to my readers. In a very brief form.

Its time to make cuttings of geraniums and Pelargoniums, for spring bloom. Be sure to dip cuttings in a rooting hormone that contains a fungicide.

Divide and transplant hardy iris, as soon as possible to allow cumps to make enough growth to insure plenty of spring blooms.

Time now to lift dahlia tubers, divide and store in a dry place. Also lift gladiolus bulbs and store after cleaning for replanting in November.

Sow seeds or set out plants of delphiniums, snapdragons, stocks, calendulus, larkspur, sweet alyssum, pansies and violets.

If planted now, early Spencer sweet peas will start blooming in late winter.

If you have a vegetable garden now is the time to sow seeds of beets, carrots, swiss chard, endive, leek, lettuce, onions, peas, radishes, and spinach. Set out plants of broccoli, brussel sprouts, cauliflower and cabbage.

Enough of planting information, but don't forget to fertilize and deep water your lawn, also deep water your roses to revive the bushes and leech out accumulated salts. After listening to Mrs. O'Flaherty's enumeration of all the necessary fall garden work, I think its time to start or, "Sud denly it will be Spring."

Stories about newcomers who have moved to our town and who have been welcomed by

Many of the newcomers welcomed to our community this week are from out of state. From South Carolina we welcome Mr. and Mrs. Raymond L. Holroyd and their two children and from Illinois we greet the Duilio P. Marigliano family.

Also on our welcome list is the Theodore O. Meyer family from Washington, D.C., Mr. and Mrs. Leonard A. Safford and their two children from South Carolina; and the Alan L. Bescoby family from Iowa.

Mr. and Mrs. Charles G. Bacon and Mr. and Mrs. Jack R. Gary and their five children are all welcome new members of our community.

We welcome to our area new neighbors Mr. and Mrs. Valvin C. French and their their two children from Ohio; community; also Dr. and Mrs. Harold Y. Yanamura and their son from Glendora; and the Stanley D. Warner family from Ontario.

Newcomers welcomed recently to Upland include Mr. and Mrs. Paul Dushon and their ttwo children from Ohio; also the William D. Wright family from West Covina; and Mr. and Mrs. B. Allen Kramer and their two children from Barstow.

The Bradley L. Jacobs family moved to our area from Riverside and Mr. and Mrs. James W. Neil and their three children came to us from Fontana.

Ontario was the former home town of newcomers Mr. and Mrs. James M. Ogborn and also of Mr. and Mrs. John R. Collins and their young child.

We welcome to Upland new neighbors Mr. and Mrs. William H. Linthicom and their two children from Montclair; also the Eddie S. Foronda family from Cucamonga; and Mr. and Mrs. Delton M. Brewer and their three children from Ontario.

In this day of speed and space it is refreshing to find an old fashioned practice such as our Hospitality Hostess visit to newcomers to Upland. In a friendly un-hurried attitude the hostess welcomes the newcomers with gifts from our merchants and helpful civic information. Call your hostess, Mrs. Lois Butler, at Yu. 6-7080 and arrange for her to greet your new neighbors.

MEMBERSHIP Drive for the Upland Junior High PTA will get underway Oct. 1 with a football theme appropriate to the season. Showing the poster and signs to be used in the campaign are, left to right: Mrs. William Thomas, membership chairman; Edwin Dean, principal; and Mrs. William Fitzsimmons, PTA president.

Junior High PTA To Drive For Members

The Upland Junior High PTA membership drive will be held Oct. 1 through Oct. 5.

Mrs. William O. Thomas, membership chairman, announced that the football season will set the theme for this year's drive with emphasis on team cooperation.

Each first period class will work as a team to see which can obtain the highest percentage of PTA memberships. A large poster simulating a football field was created by Mrs. Gertrude Quackenbush, Upland Junior High art teacher. Placed in the main hall it will show the day to day progress of each team in the race toward the goal post.

A grand prize of a free lucnh will be served the winning team and their teacher at the school snack bar on Wednesday, Oct. 10.

A victory trophy will be advanced daily to the first period class with the greatest gain in memberships each day.

Mrs. Thomas urges all students to join in the contest and encourage their parents to become members of the PTA.

Red Cross Appoints New MS Chairman

Mrs. Herbert W. Pochyla has been appointed Motor Service Chairman of the Upland Chapter, American National Red Cross, it has been announced by Mrs. B. Eugene Taylor, Volunteer Services Chairman.

Mrs. Pochyla previously served the Red Cross in Tulsa, Okla., where she was in Motor Service, and in Kobi, Japan, where she performed various volunteer duties.

Mr. and Mrs. Pochyla reside at 7690 Valle Vista, Cucamonga. Their children are Lea, 2½ years, and Stacy, 6 months.

As Chairman of Motor Service, Mrs. Pochyla will be responsible for the recruitment of drivers and the assignment of their duties.

In serving the men and women of the armed forces, veterans, and their families, Motor service drivers transport Red Cross volunteers, Red Cross supplies, and entertainers and instructors to federal hospitals and installations.

In disaster situations, Motor Service assists in the evacuation of people and possessions in threatened areas, transports medical personnel, and transports relief supplies and food.

In other chapter activities, Motor Service transports Red Cross volunteers to their assignments in civilian hospitals, transports handicapped children to clinics and special schools, and takes the blind to recreation centers.

The Upland Chapter is inviting any drivers interested in volunteering to work in the Motor Service program to call the Chapter House, Yukon 2-3113.

Concert Delights Crowd

By Mrs. Carl Hase

A delightful evening of music was enjoyed by an enthusiastic crowd who attended the Peter Nero and Bud and Travis concert presented Friday night, Sept. 21, by the Assistance League of Upland.

The funds raised will go towards the support of the League's philanthropic projects.

The audience was charmed by the piano music of Peter Nero whose playing was flawless and unaginative.

Bud and Travis, comedy folk singers, were received with high pleasure. Their choice of numbers was excellent and their delivery superb.

Mrs. Kenneth Litchfield, of Alta Loma, was chairman of the event. Co-Chairman was Mrs. Rene Biane of Ontario. Assisting Mrs. Biane as area chairman were: Mrs. Clifford Downing, Mrs. Joel Baugh, Mrs. Jack Jones, Mrs. John Mortensen, Mrs. Lewis Gillette, Mrs. T. Boyd Harris, Mrs. Harold Royaltey and Mrs. Alan Swinler.

Mrs. James Godwin was auditorium chairman, Mrs. Frank Hutchinson was in charge of programs and Mrs. Howard Scarborough handled the announcements.

Mrs. Robert Wayne and Mrs. Allen Palmer assisted with the publicity.

In Service

Marine Second Lieutenant Walter C. Joos, son of Mr. and Mrs. W. B. Joos of 7481 Buena Vista St., Cucamonga, was among a group of officer indoctrinees who reported, Aug. 27, for six weeks of training at the Naval School of Pre-Flight at the Naval Air Station, Pensacola, Fla.

Upland Cancer Crusade Leaders To Be Honored

Upland Cancer Crusade leaders who helped attain new city and county record in the drive this year will be honored at the annual meeting of the San Bernardino County Branch of the American Cancer Society on Oct. 3.

Dr. Sol R. Baker, eminent California cancer fighter who attended the recent International Cancer Congress in Moscow, will be featured speaker for the 7 p.m. meeting at Norton Air Force Base Officers Club.

The meeting will also include election of officers and directors, said Mrs. W. Leland Scheu, West End director of volunteers and vice president. Roy C. Hill, county superintendent of schools, is branch president.

Dr. Baker has served as president of the Los Angelees County Branch of the Cancer Society and also as education committee chairman for its California Division. Long an active campaigner against cancer quackery, he was appointed to the Cancer Advisory Council by Gov. Brown in 1959.

The meeting will include a report on the Cancer Crusade, in which Upland contributed $7,839 against a $5,000 quota. Floyd Shafner served as crusade chairman.

The county total to the end of the fiscal year on Aug. 30 was $112,168, compared with a quota of $98,500.

The Upland News:

As Director of Men's Employment at Upland College, I wish to thank you for the front page story on Upland College Student Employment. We have received a number of calls giving our students excellent opportunities. We especially appreciate this because there are some students who could not attend college without part-time employment.

The Director of Women's Employment also reports a generous response.

Gratefully yours,
Merle E. Brubaker
Dean of Students

Stories about newcomers who have moved to our town and who have been welcomed by

Newcomers welcomed to Upland recently include the Norman R. Reiber family from Sacramento; also Mr. and Mrs. Jack F. Schnur and their two children from Torrance; and the Richard J. Riede family from Ontario.

Mr. and Mrs. Bob J. Roper and their three children came to us from Ontario and Mr. and Mrs. Thomas E. Wilson and their two sons moved to our community from Fresno.

Also new to our area is the William H. ardt family from Ontario and Mr. and Mrs. Edward Sather and their two children frm Covina.

We welcome new neighbors Mr. and Mrs. Herbert T. Winters and their two children from Valinda; also the William L. Riley family from West Covina; and Mr. and Mrs. Vincent L. Wilde and their three children from Weschester.

OPARC Has First Meet

The first general meeting of the fall season of the Ontario-Pomona Association for Retraded Children was to be held in the garden of the home of OPARC President, Mrs. Harold Joss, 1090 W. 20th Street, Upland, on Tuesday, Sept. 25. Scheduled for 7 p.m., the meeting will begin with a pot-luck dinner.

The meeting marked the twelfth year that OPARC, an agency of the West End United Fund, has been offering services to retarded children and adults of the West End and Pomona Valley, and to their parents.

For the benefit of those new to OPARC, Mrs. Ernest Keechler showed a group of outstanding new slides also, taken this year, of the Workshop and Day School in action.

The business meeting featured reports from committee chairmen concerning the opening of the 1962 term of OPARC's Day School, located in the Temple Baptist Church of Ontario; of progress at the Workshop in Pomona; of acquisition of land in Montclair for a possible future building site.

Two Upland Women Know Small World

Call it coincidence or call it luck—two local matrons have a knack of getting together.

Back in Illinois, two young girls named Darlene Peterson and Margaret Nord were classmates and friends in Belvedere High School. They graduated and lost track of each other.

Last year, Mrs. Ted Mann and Mrs. Gerald Pomije checked into San Antonio Community Hospital to await the birth of a baby. They were assigned to the same room, with their beds separated by a screen.

To pass the time, they began a conversation, and were excited to learn that by chance, the two Illinois high school chums were roommates in the hospital.

This year, their paths continue to cross. Margaret Nord's husband, Ted Mann, is an English teacher at Upland High School.

At the beginning of the school year, Darlene Peterson's husband, Gerald Pomije, joined the UHS staff to teach social studies and act as assistant water polo and wrestling coach.

La Verne College Enrollment Up

Full-time student enrollment at La Verne College has reached an all-time high of 452, according to Dayton Root, Registrar. It exceeds last year's all time high by 30 students.

Among those attending full-time are 137 freshmen, 121 sophomores, 111 juniors, 70 seniors, and four special students.

Registering of part-time students continues through next week and should boost total enrollment by 130 to 150 persons.

Golden West Daughters At Confab

Sixteen members of Ontario Parlor No. 251, Native Daughters of the Golden West, journeyed to San Bernardino recently to participate in a joint meeting with Lugonia Parlor of San Bernardino and Jurupa Parlor of Riverside.

The occasion was the official visit of Grand President Thoda Roelling from Stirling Parlor at Antioch, Calif. to District No. 33.

Mrs. W. L. Alexander, president of the local parlor, presided during the opening ceremony and the escort work.

Present in honor of Mrs. Roelling's visit were Grand Trustees Mrs. Katie G. Jewett, El Pinal Parlor, Cambria, and Mrs. William Lyall Goldie, San Gabriel Valley Parlor, San Gabriel; Past Grand Presidents Mrs. Hazel B. Hansen, Verdugo Parlor, Glendale and Miss Anna T. Schiebusch, Los Angeles Parlor, Los Angeles; Supervising District Deputy Grand President, Mrs. Edna B. Heartt, Pasadena Parlor; Deputy Grand Presidents Mrs. Ben Gregory, Lugonia Parlor, Mrs. Lolita Carpenter, Rancho San Jose Parlor, Pomona, Mrs. Ruth C. Ruth, Ontario Parlor, Mrs. Kay Fair, Lugonia Parlor, and Past Grand Organist, Mrs. Bertha Heap of Lugonia.

The escort team of members of Jurupa Parlor were dressed in old-fashioned long dresses with bonnets reminiscent of the pioneer women and a "school days" theme was carried out in decorations.

Mrs. Adele Frankish, Charter president of Ontario Parlor and Mrs. Mabel Parma, Charter president of Jurupa Parlor were escorted and introduced, as were the parlor mothers, Mrs. Hanson and Mrs. Mildred Myers of Lugonia Parlor.

Mrs. Pauline Ireland, president of Lugonia Parlor presided over initiation ceremonies and Miss Marian Joan Mallory became of member of Lugonia Parlor. Mrs. Roberta Nolze, president of Jurupa Parlor conducted the closing ceremony.

Receipts from the coin march were designated to buy a bell for the El Camino Real which is one of the Native Daughter projects for this year.

Parlors represented, not previously mentioned, were Grace Parlor, Fullerton, Beverly Hills Parlor, Illa M. Knox Parlor, El Cajon and Long Beach Parlor.

Panhellenic To Sponsor Autumn Fashion Event

Chaffey District Panhellenic Society will sponsor a showing of autumn fashions, furs and diamonds Wednesday Oct. 10 from 6 to 9 p.m. in a poolside presentation at the Uplander Motor Hotel.

A million dollar collection of precious gems from J. Herbert Hall Jewelers, Pasadena, Pomona, Santa Ana and New York, will highlight the fall fashions extravaganza. Latest styles from Maggi's in Ontario and furs from Lurch Custom Furs, Pomona, also will be featured.

The event is planned on occasion of the redecoration of the Stuft Shirt restaurant as a benefit for the Panhellenic Society's student loan fund.

Invitations to the evening of fashions, cocktails and poolside dancing have been mailed, according to Mrs. Sally Ryrie, Panhellenic president.

Mrs. E. W. Novell and Mrs. H. Logan Locke are co-chairmen of the event. Mrs. Fredrik Olausen is reservations chairman. Mrs. Alan Swinler and Mrs. H. . Pederson are handling arrangements for fashions and models and Mrs. Louis Kayser, publicity.

Mrs. Glenn M. Deal is chairman of the trustees of the loan fund, assisted by Mrs. Fred Bissell and Mrs. James Freeman. Various benefits in the past and contribution through dues have contributed the working capital for the loan fund. The Panellenic organization currently has $3,400 out on loan and as loans are repaid, the money is loaned out again. At the moment, there are three major loans.

"The size of the loans has increased along with the cost of higher education," Mrs. Deal said. The first loans made by Panhelelnic, she recalled, seldom were more than $50 to $100, compared to the present day loans usually $500 or more.

Final plans for the pool-side fashion event and cocktail party will be discussed at the first Panhellenic general meeting for the fall season, scheduled for Oct. 4 at 7:30 p.m. at the home of Mrs. W. W. Woodward, 1509 N. Euclid avenue, Upland.

Hostesses for the birdge meeting will be Mrs. Frank Mogle, chairman; Mrs. Robert Martin, Mrs. James Freeman, Mrs. J. P. Strack, Mrs. Clyde Duncan and Mrs. Robert Kelley.

Sororities represented in Chaffey District Panhellenic. 10 fashion event, include Alpha Chi Omega, Alpha Delta Pi, Alph Omicron Pi, Alpha Phi, Alpha Sigma Alpha, Beta Sigma Omieron, Chi Omega, Delta Delta Delta, Delta Gamma, Delta Zeta, Gamma Phi Beta, Kappa Alpha Theta, Kappa Delta, Kappa Kappa Gamma, Pi Beta Phi, Phi Mu, Sigma Kappa, Zeta Tau Alpha, Alpha Delta and Xi Zeta.

STRENGTH FOR THESE DAYS from The Bible

Turn again...so there may come seasons of refreshing. —Acts (3:19)

Let us practice making prayer a part of all that we do. Then we will be ready to greet the new year with fresh faith in, and heightened anticipation of, the good.

Faculty Wives Set 'Hoe-Down'

A "Highland Hoe-Down" is scheduled as the first meeting of Upland High Faculty Wives who will bring their husbands to the event at 8 p.m., Wednesday, Sept. 26 in the UHS cafeteria.

The get-acquainted party will feature mixer games which will be demonstrated by members of the physical education department. New members and their husbands will be introduced.

In charge of the party will be Mrs. John Robison and her committee the Mmes. Raymond Schultz, Mark Alexander, William Wolfe, Dean Westgaard, Dale Stevens, Donald Culp, James Stoneman, Lorenzo Gonzalez, Paul Chapman and Elliott Weir.

The Highland Wives also made announcement about initial plans for the annual bridge benefit scheduled for October.

Fatima Court Holds Meet

Court Our Lady of Fatima No. 1387, Catholic Daughters of America, held a meeting in Ontario Women's Club Sept. 17.

Grand Regent, Mrs. Andrew Subsaro, submitted an informative report on the 20th Biennial Convention of Catholic Daughters which was held at the El Cortez Hotel, San Diego, last May.

A telegram was read from the Court Chaplain, Rev. Louis Del Vecchio, who was unable to be present.

The newly elected State Regent, Elizabeth M. Wettsteim, wrote a letter of thanks for being elected and recommended the court aim to carry out a constructive program.

A note of thanks was received from the Most Rev. Charles F. Buddy, Bishop of San Diego for the donation to the burse.

A letter of appreciation was also received from seminarian, James McGray of Montclair, for his portion of the burse.

Invitation was received from Mrs. Henry Lucas to attend the Convention of the Council of Catholic Women, Diocese of San Diego, to be held at the Orange Show Banquet Room, San Bernardino on Oct. 24. Mrs. Lucas is president. Delegates elected to attend were Mrs. Subsaro, Mrs. Leonard Apodoca, and Mrs. Herbert Neubauer. Alternates were Mrs. Saverio Orlando, Mrs. Andrew Jacobs and Mrs. Felix Castellini.

Note of thanks was received from the Sisters of the Presentation Order convent at Our Lady of Lourdes Church of Montclair.

The State Regent honored Miss Miriam Clark by appointing her Diocesan Chairman of Public Relations.

The Court voted to continue the individual donation to the Bishop's burse.

Paintings On Exhibition At Three Locations

Now on display at the Upland First National Bank gallery at 9th St. and 2nd Ave. are oil paintings by Claremont artist, Marguerita Clark.

Mrs. Clark is deeply interested in all art forms, but since her studies have been chiefly in the visual art of painting, she uses this form as a means of expression.

The canvases on exhibition cover a variety of subjects, but, in each picture, subject matter is secondary to design and color. The colors are both high and low key, but always exciting.

The Chaffey Community Art Association is sponsoring this exhibit which will be on view through September from 10 a.m. to 3 p.m. each day except Saturday and Sunday.

* * *

Five water colors are currently being show in the Faculty Lounge at Upland College by Claremont artist Sidney Wolcott.

Mrs. Wolcott has studied locally with Anthony Ivins and Robert Fleck and has painted extensively in both California and Florida.

Although a grandmother, Mrs. Wolcott has recently been accepted in the Peace Corps. This will take her to the South Pacific for two years where she previously lived, but she plans to continue her interest in art.

The Upland College exhibit is also being sponsored by the Chaffey Community Art Association and may been seen through December.

* * *

St. Mark's Parish Hall, corner of "F" St. and Euclid Ave., Upland, is exhibiting 12 paintings by Ontario artist Kathryn Arnett.

Mrs. Arnett's work is well known in this community. She has studied with leading painters since 1940.

Although landscapes are her greatest interest, there are two portraits and one still life in this exhibit. Her choice of medium is oil. She is active in the Chaffey Community Art Association and her works have been exhibited frequently in this area.

The Rector and Vestry of St. Mark's are sponsoring this exhibit.

BPW Receives New Members

The Upland Business and Professional Women's Club held its September dinner meeting at the Upland Women's Club. Mrs. Zella Stone, Membership Committee Chairman, was in charge of the program for the evening.

Two new members were presented to the club. Mrs. Earl Riggs (Beatrice), 403 N. Fern Ave., Ontario and Mrs. Wm. Vallon (Barbara), 169 N. Euclid Ave., Upland.

Mrs. J. D. Hawes (Opal) showed slides from the National Convention held in Los Angeles, followed by a Buss Session in order to discover what the membership wanted to see included in the programs for the coming year.

Mrs. Ruth Ennis and Mrs. Fred Kushin (Flora) were elected delegates to the San Orco District Conference to be held October 20-21 at the Newporter Inn, Newport Beach.

Alternates are Mrs. Jesse France (Fern) and Mrs. Albert Kanya (Kathryn) Miss Velma Owen is the President appointee.

'63 CHEVROLET IMPALA SPORT SEDAN

Tomorrow-GO JET-SMOOTH CHEVROLET for '63

Cover this car's price tag and you might think it cost a thousand dollars more. It offers luxurious styling, extremely comfortable, spacious and silent interiors . . . plus ways to keep it looking and running like new when a lot of others have started to sag and sigh: a new way to flush and dry rocker panels under the doors of its Body by Fisher to guard against rusting . . . self-adjusting brakes . . . Delcotron generator for longer battery life. If you ever wondered why Chevrolet leads its field, a drive in this '63 should answer all your questions.

IT'S EXCITING!

GO CHEVY II for '63-IT'S EXCITING!

'63 CHEVY II NOVA SPORT COUPE

Hard as it may be to believe, this year's Chevy II is better, better than last year's and better than anything in its class. It combines the new easy-care features of the big Chevrolet with its own wonderful attributes of parkable size, four- or six-cylinder fuel economy and interiors that would do justice to cars that cost twice as much.

GO CORVAIR for '63-IT'S EXCITING!

'63 CORVAIR MONZA CONVERTIBLE

Change it? Calm yourself, nobody's going to mess with a winner like this one! We did add self-adjusting brakes and a fully aluminized muffler; interiors are refined a bit, and you'll notice some trim changes, but the rest is pure untampered-with Corvair. Oh yes, we changed the taillights so all those people you pass will know you're driving a '63.
